Please join us in wishing John & Mary Carson a Happy Anniversary!  
They celebrated 50 years last Saturday, February 12th.

Pope Francis has called a three-year Synod to gather information from the people in the pews, to hear the struggles and the joys in the Catholic church around the world. The issues we face in our part of the diocese are not the same as those issues being faced by people in other parts of the world. Therefore, we need to have a voice in this process. The first way to start this journey is to have listening sessions for ALL of our parish members. Each session has two questions: "What breaks your heart about your experiences with the Catholic church" and "What fills your heart with joy from your experiences with the Catholic church". Once you have attended a listening session, then you will receive information for step two. All listening sessions are confidential and answers will not be associated with anyone's names or parish. For more information go to the diocesan webpage or contact Mike Linnenbrink at 319-316-2115
