

DIRECTOR OF RELIGIOUS EDUCATION REPORT

June 2022

Wrote and mailed 12 baptism letters; 19 remembrance letters; 8 anniversary letters to parishioners who celebrated 25, 50, 60 or more years of marriage; and 4 birthday cards to religious education students. The priests signed four cards for our parishioners 90 plus.

Held RCIA 6 times with our candidates.

We have an ongoing Bible Study on the Acts of the Apostles. We meet every other Monday at 6:30 at the parish office. Still time to come join us. Have seven participants now.

Prepared for 6 baptisms by putting a blanket, rosary, prayer for the family in each gift basket. Prepared the eleven envelopes for the baptism letters that will be sent out as continuing form of religious education from womb to tomb.

Called all the shut ins for Fr. Dennis to make his first Friday visits.

All money counters from the four parishes now must have credit checks. Trying to find more counters for St. Boniface.

Have been working daily on VBS. If anyone would like to help out or register a child, please give me a call. Met with the Community Club regarding VBS. Had a meeting with all the teachers for VBS, but still looking for more volunteers to help. Gathering all the supplies needed for each of the stations. The bus and the driver are on board and the PA system will be brought the weekend before.

Respectfully submitted,

Dixie Booten, DRE
